

# LET'S GO BOWLING

With Darlene Cope

Gable House is already getting into the Christmas spirit. Jerry Homel, general manager, informed me that there were 29 winners in the Thanksgiving "Turkey Shoot." The rules will be the same or 50 cents a game to try for strikes in the third, sixth, and ninth frames. The prize will be a 12-14 lb. turkey for the Christmas holidays.

There are some high scores to report this week at Gable. First, the women have been hitting their marks. Peggy Walls shot a 231, Rose Cooper 210, F. Caveney 219 (Forrestors), B. Grant 211 (3 plus 2), Noella Beaudet 206, Amber Warmington 208, Bete Shultz 209, Charlene Townsend 205 (Sunsetters), and Vickie Okamoto 203 (Nese). Juniors did a bit of scoring, too. Tim Martin rolled a 228, Mike Krone 223, and Dennis O'Dowd 220. Men scores are as follows: Lorenzo Steelman Jr. 267 (Trinity Lutheran), and J. McMillan 257 (Dairymen).

Split pickups are credited to Ray Wilson of the Misfits who tripped the 7-9, Marie Savidan (Scotch Doubles) the 8-10, Art Callen (Dianas) 4-6-7-10, ob Emrich, (Jr. League) 8-10, and Fred Burrill (Stardusters) 8-10.

Two triplicates were recorded this week. B. Cramer (Forrestors) rolled 163's and Eva Dufresne 67's.

Voters in the area "Miss All Star" contest had a hard choice to make between Eileen Maxwell of Gable House and Linda Glass of South Bay, but in the final tally, Linda showed a few votes ahead. Congratulations and lots of luck to Linda Glass.

I would like to announce to the league secretaries that team pictures can be taken soon. Bill Edmond and Bob Wintermeyer, of the Torrance Press will place a bulletin board in the main lobby soon and will feature team pictures from every league. Jerry Homel will call a meeting soon to set up this plan or if your particular team wants faster results, drop a note to the effect in my file at the front desk.

Gable congratulates its executive secretary, Ruth De Lisle, on finally becoming a Grandma. Ruth's daughter-in-law, Linda Lush, last Friday afternoon gave birth to a sweet baby girl. The new bundle weighing in at 7 lbs. 15 ozs. is named Debbie Lynn Lush.

Ladies, don't forget the spare pick-up class this afternoon at 1 o'clock. Norm Belt, Arny Sherrell, "Jolly" Jack Frybaum, and Dale Quay are all strutting their new official instructor arm patches.

## El Camino Warriors Brace Falcons Saturday on Cerritos Home Court

El Camino College eagles will pack off an ar war party to the home of the Cerritos Falcons Saturday evening in hopes of beefing up its practice game record before rugged holiday tournament action begins.

Hitting 46 per cent of their shots from the floor last Saturday, the Warriors held off previously undefeated Glendale College 78-65 to even the season's record at 2-2.

Ron Wey and Mike Schrader both hit 16 big points in that contest. It will take shooting like that for El Camino to win, for the board strength of the Warriors just isn't that strong.

A strong defense stopped Glendale's scoring machine from the beginning and Schrader's looping jump shots pushed the Warriors to a 24-29 halftime lead.

The game was in jeopardy all the way with El Camino controlling the ball to run out the clock.

Friday night's story was the sad chapter of last week-

end's two part novelette, El Camino losing 76-67.

The boards got the better of the Warriors, who were knocked around by tall competition from Orange Coast. To top it off, El Camino shot a weak 26 per cent from the floor.

A strong Pirate bench coughed up a gentleman named Dick Barton, who, playing at the forward position for the Coast club, raised havoc on the fast break in the latter minutes to sew up the game. Barton pumped in an important 20 timely points.

Leading the hit parade that evening for the Warriors was Schrader, the boy with the big jump shot and the soft touch. He scored 15 points, nine in the first half. Joe Cativera had 14 and Ron Wey netted 12 to follow close on big Mike's lead.

El Camino's hopes of having some height on the team this year went flitting last week as two of the team's big men decided to call it a season before the opening tip-off. Tom Grates, 6'8", and 6'4" Jim Smith have both left the squad. It's "get out your track shoes" again at El Camino this year; lack of height means there will be a lot of

**VIKING COMMANDER**—One of the things Tyler JC must stop in the 15th annual Junior Rose Bowl game to notch the national title is the passing of Long Beach's co-captain and quarterback, Dave Groff. The veteran QB led the Viking to nine straight regular season wins and is the top passer in LBCC history.

## Last Minute Brush-ups by Two Junior Rose Bowl Contenders

Tyler (Tex.) JC, unbeaten in 12 regular-season games and hoping to avenge a 1951 Jr. Rose Bowl loss, will be a slight favorite to turn back Long Beach City College in the 15th edition of the post-season classic on Saturday. Kickoff is 1:30 p.m. in the Rose Bowl.

The invading Apaches, up-ended 28-26 by Pasadena CC in a cliffhanger in 1951, will feature a mammoth but mobile forward wall, which averages 210 pounds per man, and a quartet of speedy, shifty backs which pounded out 331 points in sweeping to the dozen triumphs.

Long Beach brushed aside nine rivals in annexing the Metropolitan Conference title, the vanquished including Bakersfield and Santa Monica, the past two JRB champions.

Game officials are expecting a crowd of 55,000. Some 45,000 general admission tickets will be placed on sale at the Rose Bowl Saturday, and choice reserved seats are still available at all major outlets.

**TEXAS MENTOR**  
Coach Floyd Wagstaff, who was at the helm of the Apaches in 1951, returns as skipper of the East Texas eleven. The veteran mentor's winged-T attack feature Quarterback Jimmy Lyons, whose option roll-outs have bugabooed all comers thus far.

The 165-pound sophomore

from Houston teams with halfbacks Carlee Manchester and Henry Boxley and full-back Frank Brewer, who is called the team's top all-around star. He is averaging 5.5 yards per carry, while Boxley is 4.9 and Manchester 4.8.

Up front, 241-pound right guard Richard Farris and 247-pound right tackle Bobby Price headline the beefy forward wall, which also features Center Mack Cope, a rugged 210-pounder.

Dong Beach is coached by Jim Stangeland and will offer a prototype offense, which features the "touchdown twins," Lonzo Irvin and Dee Andrews, and Flankerback Willie Martin, with Quarterback Dave Groff commanding the attack.

Irvin and Andrews each accumulated more than 850 yards rushing, the former topping the club in scoring with 90 points. Groff and Martin form a deadly passing combination which was the deciding factor in at least two games.

Tackle Mike Giers and right-side running mates Guard Jim Smith and End Bill Sprague pace the Viking forward wall, which contained such tough foes as Cerritos and Santa Ana, in addition to seven conference rivals.

Probable starting lineups are:  
**LONG BEACH**—SQ, Ernie McBride, LE:62 Don Crosby,

LT: 60, Steve Cohen, LG: 57, Wayne Zimmermann, C: 65, Jim Smith, RG: 72, Mike Giers, RT: 81, Bill Sprague, RE: 14, Dave Groff, Q: 26, Dee Andrews, LH: 25, Willie Martin, RH: 36, Lonzo Irvin, F.

**TYLER**—80, Gene Staples RE: 75, Bobby Price, RT: 65, Richard Farris, RG: 55, Mack Cope, C: 61, Tommy Brown, LG: 74, Wally Whitley, LF: 84, Jimmy Lowe LE: 18, Jimmy Lyons, Q: 25, Carlee Manchester, RH: 37, Henry Boxley, LH: 45, Frank Brewer, F.

**HOLIDAY TREES**  
Of the Pines, Monterey Pine and Japanese Black Pine start out slowly enough in life to be of use during the Holidays. There is a certain rustic charm in their long needles that many people like, and the natural symmetry of young trees can be prolonged by growing them in containers. Plant them later in the garden and watch them grow to forest-size proportion.

Holdings of a four-meet losing streak over a two-year period, El Camino College wrestlers will seek to establish a victory string when they entertain Mount San Antonio College Friday at 7:30 p.m. and San Diego State College Saturday at 7:30 p.m. in the Women's Gym.

Cracked under the pressure of top competition, El Camino bowed 0-15 to defending champions from San Bernardino Friday in a Southern California JC Conference meet on the victor's mats.

They're wanted because they've proved themselves to be better where it counts — at the lanes! And here are the reasons why Ebonite is better.

**SCIENTIFIC MIRACLE FINISH GRIPS LANES!**

Traction is the secret! Ebonite's famous Traktion comes from a scientific Miracle Finish which keeps balls on course, blasts pins with positive contact. Ball rolls without resistance, yet grips lane as if on tracks. And Ebonite's Miracle Finish actually repels grease, wax and sticky dirt. Keeps ball cleaner, lets it roll faster, gives more accuracy.

**IT'S FLOAT-TESTED IN A QUICK SILVER BATH FOR 100% PERFECT BALANCE!**

Each and every Ebonite is float-tested to assure perfect balance. This eliminates any error in balance when ball is drilled for your grip because this test shows exactly where holes should go.

**EBONITE'S EXCLUSIVE EBONIZER MEASURES YOUR GRIP PRECISELY!**

Ebonite's scientific measuring device, the Ebonizer, is so exact it tells you how your personal ball will handle even before the holes are drilled. It measures the span of your hand, the curve of your fingers to within 31 one-thousandths of an inch. Ebonite Bowling Balls are drilled only by authorized distributors and drilling dealers.

**LIVE RUBBER KEEPS YOUR BALL LIVELIER LONGER!**

Ebonite's research in rubber chemistry has produced a more elastic rubber for more re-bounding pin fall, more ricochet action that your ball stays lighter, livelier much, much longer!

**GO COMPLETELY EBONITE WITH EXCITING NEW JEWEL-TONE CO-ORDINATES!**
